LAS Open Match Chart Fisheries. Chart Sutton, Kent on Sunday 7th September 2008

Out of the 14 who booked to fish the LAS Open Match at Chart Fisheries only 7 turned up! Fortunately Barry was able to make a deal with the owner to just pay for the pegs we used & not the whole lake that we had booked.

This would have left Linton with a large bill to pay!

However those who did turn up to fish did enjoy themselves.

K Hunter	63 lb. 0 ozs.
D Brown	50 lb. 2 ozs.
C McKinnon	40 lb. 15 ozs.
P Husbands	37 lb. 12 ozs.
B Andrews	31 lb. 8 ozs.
R Leeson	12 lb. 8 ozs.
C Wood	8 lb. 0 ozs.

Nearly all methods were used from surface floaters to sub-surface maggot dropper, feeder, waggler, method & pole, all worked though some swims only produced the smaller carp & silvers.

Pellet, corn & maggot were the most productive baits.

A good day for those who turned up!

Well done to Kevin who seems to be on form these days!

Footnote:

After this match & the one cancelled at Hartley Lands in July these 'Open type Matches' were discussed at the committee meeting on Tuesday 9th September & weather they're worth bothering with!

Is it what members want?

One wonders, apathy rules!
