### 2015 Winter League.

#### Match No. 1

Date: 8<sup>th</sup> March 2015.

Venue: Stallance Reservoir, Sutton Valence, Kent. (Venue Change)

Summary: Those sitting on the bank where the trees have been cut down saw most of the sunshine whilst the opposite bank got very cold. P Husbands stuck to the roach but even so they were difficult to catch. Steve Wells was pegged next to the reed bed on the far left of the res and managed to land 3 nice carp on the pole. Ralph managed a respectable 2nd with one of the biggest carp of the day fishing the pole on light tackle. Only 10 turned up on the day and we were very lucky to be able to gain access to the reservoir due to the weather conditions and the orchard being ploughed. Hope to see more on the next match.
