### 2012 Summer Evening Match.

#### Match No. 1

Date: **30<sup>th</sup> May 2012.**

Venue: **Toke Reservoir, Linton, Kent.**

Conditions: Sunny humid evening with a light S wind that dropped at 8.00pm. Water level full with 18" visibility.

Summary: A bright sunny evening but humid. A good turn out for the first evening comp. Once again the fishing was unpredictable & most had to be content with bags of Roach, Perch, Gudgeon & Skimmers, the Bream did not show. Richard hit the spot in the SE corner fishing against the pads on the feeder with a fine bag of Tench & small Carp that gave him first place, Tony had a reasonable Bream & a load of small stuff fishing maggots on the waggler to give him second. Colin came in third with another mixed bag topped off with a Bream caught at the end. We started the match at 6.15pm & finished early at 9.00pm because of the fading light. The wind died to nothing about 8.00pm & turned the res like a mill pond, this made float fishing a joy. Despite the poor catches everyone enjoyed the evening, 100 times better than Sundays match at Mote Park!
