2010 Winter League.

Match No. 12

Date: 26th August 2010.

Venue: River Medway, Watlingbury, Kent.

Conditions: Cloudy, cold start to the day, sunny spells & a light wind. It tried to rain.
Water level was low, visibility over 2' & clear.

Summary: Back to the winter series, a difficult one where everyone struggled. Once again it was that last peg in the second field that came up trumps! Barry was able to produce a good mixed bag of Roach, Perch, Bleak, Skimmers & Bream mainly on the pole, Alex concentrated on the feeder fishing the opposite bank that gave him second catching some fine Perch on worm. Tony managed a reasonable Eel that 'got him out of jail' so to speak. Quite a few had to be content with Bleak bashing to make the weights. Jim came in third with another mixed bag of silver fish. The clear water conditions made it hard for all, it was obvious from the outset that this was going to be a limiting facture. Congratulations go to **Pete Husbands** for winning the **2010 Knock-Out Competition**.
