2008 Winter League.

Match No. 14, X-mas & KO Final.

Date: 14th December 2008.

Venue: Staplehurst Reservoir.

Conditions: A cold frosty, foggy start to the day with the nearby river Beult in flood; the reservoir was brimming full but relatively clear. The day seemed to get colder as it went on, a slight breeze developed, this seemed to bring the temperature down even further.

Summary: A smaller than expected field of 10 for this event, the x-mas draw normally attracts more competitors. The fishing was very hard with only one carp being landed, 4 competitors failed to catch, including Don. This cost him because Colin managed to locate a small shoal of Roach with 2lb of them he took the KO prize. Well done to Kevin Nichols with an excellent 7lb 14ozs bag of Roach. Not the easiest of matches with hardly any big fish being landed.
