Winter League.

Date: **13th December 2015.**

Venue: **Stallance Reservoir, Maidstone, Kent.**

Summary: The day started badly for Don as he tripped and ended sitting in the water. Not a good start. Alan Denyer started the day going for Roach but did manage to land some nice Carp giving him the winning position. Well done Alan. There were several Carp lost and most anglers sat on the feeder all day. Paul Blackman did manage to take one Carp on the pellet waggler. Barry fished the margin and did manage second place taking 3 Carp from the margin and one on the feeder. There were some nice Perch caught, also some Tench, Bream and Barbell.

The prizes were given out in order of position of the day, until all 15 anglers had a prize. The rest of the prizes were then given out using peg numbers drawn from the bag. A good day was had by all.

The K.O. 2015 was won by B Andrews.
