2005 Winter League.

Match No. 2

Date: 13th February 2005.

Venue: Toke Farm Reservoir, Linton, Kent

Conditions: Very cold Northerly wind, bright with dull periods with sleet at times.

Summary: The very poor conditions didn't help, only two bites that produced the two fish that were caught. No one else had a touch! Poor turn out no doubt due to the weather – only a day for the loyal, hardy or just plain stupid!
Thanks to Mick Cullen for bringing the entertainment in the form of his hand built motorised trolley!
Needs slight adjustment! It brightened up an otherwise cold & windy winter's day!
