### 2013 Summer League

#### Match No. 3

Date: 12<sup>th</sup> May 2013.

Venue: Stallance Reservoir, Sutton Valance, Kent.

Conditions:

A bright day with plenty of sunny periods but with that cold wind that it made uncomfortable for most. Reservoir was full & coloured.

Summary:

Again with a good field of 18 competitors, the venue was almost full. It was a hard comp for most with the carp not really feeding due to the changeable conditions. Once again it was the NE inlet end bank that produced the winners with the SW bank struggling for bites. Alan claimed the honours with a couple of carp & a mixed bag on the pole. One or two good Perch coming out but none of the larger carp. Despite coming 4<sup>th</sup> expensive day for Kevin in his 45° swim by stepping back onto his pole sections... ouch!
