2012 Summer Evening Match.

Match No. 2

Date: 12th July 2012.

Venue: **Stallance Reservoir, Sutton Valance, Kent.**
(Draw 5.30 - 6.00 start - 9.00pm finish)

Conditions: Very wet & cool with thunderstorms & torrential rain. Water level 18" down with 12" visibility.

Summary: This event should have been classed as a winter event, the weather was abysmal, it poured down for most of the 3 hour match, the thunder & lightning was something else, a bit scary at times especially when clutching a 14 metre carbon pole!
Despite a late start & trying to cast in his trolley Ralf had the best fish of the evening on his first cast, that was enough to win him the match. The odd Carp made up the heavier bags of the evening, but there were a number who struggled & had to be content with a few Roach to even weigh in.
Pellet, maggot & tares seemed to be the favoured baits with a lot of the Roach coming for up near the surface.
Alan had a good mixed bag to earn a worthy 2nd place & Barry J in 'pole position' came in third. But the Gods had one last card to play on us, with ten minutes to the end another storm arrived, the heavens open & we had to delay the weigh in until the downpour abated, even so Barry still had to carry out the task under his brollie!
At the end of the day it was Richard Leeson who took home the honours by winning the Summer Evening Match series.
