2012 Summer League

Match No. 4

Date: 10th June 2012.

Venue: Linton Park Lake, Kent.

Conditions:

It turned out a mild cloudy day with no wind, ideal conditions for fishing the pole & float. A rain shower did come over just as we packing up. Water level was normal with low visibility.

Summary:

Another reasonable turn out with 17 competitors therefore we were able to drop out the 3 tight & less productive swims 7 (Pads), 15 & 16 (Boathouse bay). OK, with this venue it's always a bit of a lottery with regard to swims & catch results; today was no exception with the first four places coming from the productive East wooded bank where Don, Ralph, Colin & Tony battled it out ending up with over 100lb of fish between them. Bream was the obvious quarry, it was a case of precision fishing with the feeder tight to the pads to keep the them interested, bites normally came within a few minutes of casting out, Corn, Maggots & Pellet was the bait that that caught. Don claimed victory with two extra good fish, Jim came fifth on 'the point' with a fine mixed bag including a 1½ lb eel. Stile bay pegs struggled with both Barry's having a hard day to even catch. Kevin H lost a good carp at the net. All in all the conditions were ideal but with the pressure of a match some popular swims seemed devoid of fish.
