2008 Winter League.

Match No. 4

Date: **13th March 2008.**

Venue: **Toke Farm Reservoir, Kent.**

Conditions: A bright cold cloudless sky with no wind to start with, as the morning progressed so the conditions worsened ending up in strong gusts & a full hailstorm at the end.
This resulted in two wrecked brollies!

Summary: Another hard match for most of the 12 competitors.
Most concentrated on the feeder to begin with then switching to the pole or waggler to try for the smaller silver fish when the Bream & Tench didn't show. Only three decent Bream were caught Dave Chapman had a respectable 5lb. 6ozs & Barry & Ralph had 3+lb's. The rest had to make do with a few Roach & Perch. It wasn't until the last hour that Colin managed to locate a few Roach
Four competitors actually blanked! Including Mark & Don!
