Match No. 6

Date: **8th June 2008.**

Venue: **Linton Park Lake, Kent.**

Conditions: A cloudy & mixed day with a changing cold wind but with long sunny periods again very warm in the sunny swims but quite cold in the shaded ones.

Summary: A good turn out with high hopes for some good weights like last year at this venue. Despite most concentrating on the feeder the results were relatively poor. The Bream didn't materialize in any numbers as had been hoped, most then went onto the pole or waggler to go for silver fish to make up some weights. For the majority it was hard work, Kevin & Tony once again amused themselves with the Pike.
