### 2012 Summer League

#### Match No. 8

Date: 19<sup>th</sup> August 2012.

Venue: River Medway, Watlingbury, Kent.

#### Conditions:

A humid, warm sunny start that turned showery later in the morning. Water level was normal with 18" visibility. Boat traffic started about 10.30 that made it interesting!

#### Summary:

Unfortunately a lower field; what with the holidays & the Sheerness boys on a prior event.

Barry had a busy day & was able to nail it by going for the Roach feeding in hemp & fishing with Tares, Hemp & Wheat to end up with a superb bag of over 17 lbs. He was also able to tempt a couple of Bream on the feeder.

Don managed to keep the fish going most of the day ending up with a good mixed bag of Roach & Skimmers to come second. Kevin again with a mixed bag to come third, he also went for the Pike, had a couple, the best being 16lbs+.

Despite having a reasonable Bream not the best of days for Tony with 'bite offs' from the Pike & actually managed to land a couple on 2½ lb hook links!

All in all not a bad day for most with plenty of fish being caught.
