### 2008 Summer League.

#### Match No. 8

Date: 27<sup>th</sup> July 2008.

Venue: Toke Farm Reservoir, Linton, Kent.

Conditions: A hot sunny day thankfully with a few cloudy periods, hardly any wind, water level normal.

Summary: A lower than expected turn out for this venue however those that did enter weren't disappointed, there were some respectable weights. Strange you wouldn't have thought it was the same place as when we fished it last time. Plenty of Bream & Tench for some, Barry, Tony & especially Don had some good mixed bags. With 45lb of fish Don's elastic was working overtime, a busy & rewarding day for him despite breaking his landing net handle trying to extricate a Tench from the reeds! Again the 'crack' from a broken pole proved to be expensive day for Colin!  
A variety of baits caught, mainly pellet, maggots, corn & worm.
