2013 - Linton vs Maidstone Victory Inter-Clubs Match (First leg.)

Date: 26th May 2013.

Venue: Stallance Reservoir, Sutton Valance, Kent.

Conditions: A bright day with a few sunny periods but still with that cold variable wind that it made uncomfortable for most. Didn't really start warming up till midday. Reservoir was full & coloured.

Summary: A good field of 21 competitors for the first leg of what has come a yearly event, 13 Maidstone Victory & 8 Linton competitors did battle on our home venue. Due to numbers we used both reservoirs to ensure we all had a swim. Once again like two weeks earlier Stallance threw another curved ball with the continuing variable conditions making it hard for all. The larger fish were just not feeding, just the odd carp coming out to make some sort of weight! Although the winner Ralf & 4th place man Don fished the larger reservoir the smaller one worked out the better bet with the small carp making up the weights. A variety of methods from pole, feeder & waggler, white maggots & pellet seemed the best bait on the day. A victory for Linton on the first leg but like last year the River Medway can change all that!
