LAS/MVAS Winter Friendly

Date: **15th January 2012**

Venue: **Hartleylands Farm, Cranbrook, Kent**

Conditions:

At -4°C a cold frosty start; day remained sunny & bright all day, excellent for the time of year, slight breeze. Water level of the reservoir was normal, 18" visibility.

Summary:

This winter break event was organised by Mick Roberts of Maidstone Victory who kindly invited us along to join them in a match at Hartlylands commercial fishery.

Well, from what started out as a little get together to wipe away the cobwebs, turned out to be a major event with 32 anglers turning up on a frosty and sunny January morning at Hartleylands Farm.

As the results show, Nicks lake fished in parts quite well, (9 pegs 20-28 covering the top 7 weights) but other area's really struggled.

Well done to Steve Giles for landing carp on the method (including a fine 13lb specimen) to win at a canter with Ken Burkenden 15lb behind in second place from the next peg, closely followed by Linton's **Alan Denyer**.
