### 2014 Summer Match 7

#### Match No. 13

Date: 12<sup>th</sup> OCTOBER 2014.

Venue: River, Beult, Hunton, Kent.

Summary:

The day started out pleasant with the wind increasing during the session, with the amount of rain we have had during the previous week the river had a great deal of flow which meant fishing heavy on the float or hard on the bottom with the feeder, Barry won the match and caught on red and bronze maggot over hemp, starting the match with 2 small balls of ground bait and only topped up with one ball every hour.
