2014 Winter Match 4

Match No. 15

Date: 16th November 2014.

Venue: Stallance Reservoir , Maidstone , Kent.

Summary:

The match venue had to be changed as Staplehurst is very difficult to get to after all the work being due. The venue was going to be changed to the river Medway but after all the rain on Friday and Saturday it was decided that Stallance would be the best reserve venue. Stallance fished very poorly overall with only a few people finding the bigger carp. K Hunter did well from peg 20 catching a couple of good carp plus a few bits. Peter Husbands spent most of the day trying to get a good carp in on the pole, with very light tackle. Well done Peter for giving us all something to talk about. The reservoir was very still but a few of us could not buy a bite? even on a 22 hook. Barry Vs Alex in the final of the KO with Alex going 3lbs 1ozs in from it might be difficult to catch him. P Blackman caught a nice goldfish from peg 11. All in all a disappointing days fishing, but at least the rain and wind kept away.
