### 2014 Winter Match 5

#### Match No. 15

Date: 14<sup>th</sup> December 2014.

Venue: River Medway , Maidstone , Kent.

Summary:

The day started with a heavy frost and a swollen river, but this did not put off the hardened Linton boys. It was not until later that we all new that we were on a challenge. The bites for some came very slowly and even then most were not able to contact with a fish. Paul Blackman on peg 11 walked the match with a grand weight of 13lbs 2ozs. Second was Alex with 11lbs 1ozs and third was Barry with 9ozs. To say the least it was a very difficult day. It is not very often that you get 9 anglers blank, but today was one of those days. The sun did show itself later in the morning and everyone welcomed the slight warmth that it brought. The end to another year with the presents being given out to all, some lucky enough to obtain two.

The next Linton match will be in March
