2014 Summer League

Match No. 3

Date: 19th May 2014.

Venue: Stallance Reservoir, Maidstone, Kent.

Conditions:

Very warm and sunny day

Summary:

fishing was poor and most people struggled to catch. Kevin Hunter won the match with a last minute carp taken off the top on bread. Some people even went down to a size 22 hook but were still unable to get a bite? Seems the Res does not like lots of people around, we always seem to struggle on matches. Hope we do better next week against MVAS.
