2014 LAS (away) v MVAS (home)

Match No. 5

Date: **25th May 2014.**

Venue: **Wierton Reservoir, Maidstone, Kent.**

Summary:

25 anglers filled Wierton Res on a pleasant sunny day with light winds.

No one exactly emptied the res but there were plenty of respectable weights despite the pressure the venue was put under. Guy Usmar took the individual honours with a bag of Bream and a few bits from just beyond the point on the first peg past the electric cables.

The next three weights were all bunched together next to the car park with Mick Wright finishing just 9oz behind Guy and Lou Buells edging out Lintons Barry Andrews for 3rd.

With MVAS experienced match group taking 6 of the first seven places the result was never in doubt, but the Linton lads enjoyed their first fish on our water with many adapting well.

Result: MVAS 2318oz / 13 anglers = 11.14lb per angler

Linton 1248 / 12 anglers = 6.5lb per angler.
