### 2014 Summer Match 2

#### Match No. 6

Date: 1st June 2014.

Venue: Linton Park Lake, Maidstone, Kent.

#### Summary:

The day started bright and sunny but the lake was covered in weed. The weed was going to be a challenge for most with lots of people losing fish. Barry lost his first four Bream in a clump of weed just off the lillies and Peter Blake also lost four or five fish due to the weed. Ralph fish in swim 1 but due to the weed had to resort to the pole and fish the clear areas.

Matt Fisher did well in peg 13 but was no match for Don or Peter Blake. Don fished the edge of the lillies in peg 9 and fished well to produce a good bag of bream beating Peter Blake to first spot by a slim margin of 14ozs more.

Most people caught and it was an enjoyable day. Pellet, corn and red maggot was the bait on the day, with a lot of fish caught on corn.
