“The Terry Booth Memorial Team Challenge Trophy”.

Date: 15th July 2012.

Venue: River Beult, Cross-at-Hand, Staplehurst.

Summary:

This year it took place on Linton's stretch of the River Beult: With all the recent rain the river was full with a good flow & coloured. Weather was cloudy, cool with the odd sunny period & a slight wind. There was a bit of loose duckweed that passed by but did not present a problem for most. Quite a few Bream came out that boosted weights, most were content on going for the Roach on Wagglers or pole. The larger fish did come out on feeder, baits varied from worm, maggots, pellet, tares, hemp & corn. Pike did give some a problem with 'bite-offs' & attacking nets.

Well done to **Peter Blake** the overall winner with a very respectable weight that sealed it for **Linton A S** to make them **2012** winners of “The Terry Booth Memorial Team Challenge Cup.”
