2004 WINTER League.

Match No. 3

Date: **14th March 2004.**

Venue: **River Beult, Tilden Farm, Kent**

Conditions: **Abysmal - Cold, strong winds, with rain heavy at times.**

Summary: **A match for the hardy!**
Good turn out for the day & venue. At the end of the match I think we all wondered why we love this hobby so much, there must be something easier to do!
Weather was so bad only 5 anglers had bites all day & that was only Bleak.
Mick Cullen had the only other fish, a Roach!
The remainder of us competitors had no bites, nothing to weigh in & the wind & rain in our faces all day! Still, better than being at home decorating?
