## Senior Section - Match Results

### 2013 - Maidstone Victory vs Linton Inter-Clubs Match (Second leg.)

Date: 29th September 2013.

Venue: River Medway, Barming, Kent. (Maidstone Victory Stretch)

Conditions: An overcast but warm day with some sunny intervals between the clouds.

Summary: The home team had 9 anglers to Linton's 12 and although the weights were not on the large side almost all anglers caught with the perch showing in most pegs and quite a few eels being caught.

Keith Dacey, on peg 42 won the match with 7lb 5oz of Roach fishing pinkie and maggot over hemp at 13 meters. Jim Noyce from Linton took 2nd place with 6lb 8oz from peg 22 and Colin Wood, also from Linton took 3rd spot with 6lb 2oz from peg 49.

As far as the match result went, MVAS totalled 523oz, an average of 3lb 10oz for their 9 anglers. Linton totalled 629oz and average of 3lb 4oz for our 12 anglers. So they gained some revenge for us beating them at Stallance back in May.

Overall adding both legs it was **Linton** who came out on top!
